Profile Summary

After 8 years in project management, I have discovered my true passion for programming. I have explored various programming languages and technologies, and found fulfillment in this field. I am dedicated to continuing my growth as a programmer and seeking a position where I can apply my skills to create innovative solutions and contribute to organizational growth. With a strong work ethic, attention to detail, and ability to collaborate effectively, I am confident in my ability to be a valuable asset to any organization.

Work Experience

Front-End Developer

August 2021 - Present

Project Manager

Turbotec Co.

Iran
